Selections Designer will work alongside builder and client on the selected items listed below.

Selections Designer policy is as follows: The selections designer will accompany you to your initial vendor/supplier visits, while spending time with you on your particular selections. You will work directly with the vendor/supplier rep on any return visits needed to finalize your selections. All selections need to be finalized within 7-10 days of initial visit. All selections will be communicated back to the selection designer, Parkview Homes, and the supplier/vendor.

**\*\* Please refer to scope of work addendum for budget allowances\*\***
