

### Customer Selections Vendors

The following document is our policy relating to customer suggested purchases with a vendor or supplier that we do not have an open account or work with closely.

We are not responsible for the following:

1. Quality of Product
2. Warranty
3. Payment (products must be pre-paid by owner)
4. Delivery of product to site is the responsibility of owner/supplier
5. Owner/ Supplier is responsible for order to be complete, all parts included. If delivery is incomplete and labor has to make any additional trips to complete install there will be added charges
6. We do not have storage to store products until needed. All shipments/ deliveries shall be made directly to the site at the time of install.
